**PUBLIC COMMENTS:** Chairman Ellis asked if there is anyone from the public present wishing to speak there being no public present.

**Consideration of Acquisition of 6 Helicopters and Associated Lease Arrangement** – Guy E. Whitesman, Esq., Henderson Franklin Law Firm, will review the proposed resolution regarding the acquisition of 6 helicopters and associated lease arrangement previously provided the Commissioners and the Public on the District's website and answer any questions or concerns the Commissioner may have regarding the same.

Guy Whitesman – All furnished copies of the resolution. The acq of the 6 helos and lease arrangement have all been negotiated and was finalized as to the final terms yesterday. It has not changed substantially since the draft in Novemer. Somewhat less will be financed because some training costs were not able to \$536,000 roughly for training costs could not be included. The total financing is in the \$18450 range. The purpose of this meeting is to ratify the consent to the transation. The lease is this has to be appropriated on an annual basis and there are no deficiencies beyond cost of. Mann if we were to pay it off and purchase is there any prepayment penalty? There is no prepayment penalty the first date for that paymenyt would be March 28, 2018. They can only be leased for one year at a time.

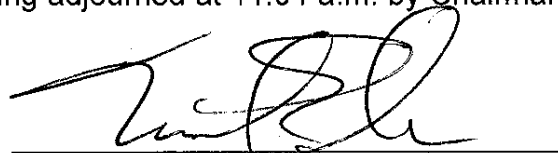

Chair asked if everyone has read the res Motion to approve Scott, Mann no further discussion. Unanimously.
